

CSCI1190 – Beginning C for Engineers Information Regarding Final Exam

1. The final exam will be conducted from 7:00pm to 8:00pm during the last class in the class room. The duration of this exam is an hour and it is worth 30% of your final grade. Note that the first 60 minutes of class will be assigned to project evaluation.
2. This is a **closed book** and **closed notes** exam. However, you may bring in one sheet of 8.5" x 11" paper, containing written material. You can have material on both sides of the sheet. *No other material will be allowed.* Note that in particular, you are not allowed to bring in a calculator or a similar electronic device to the exam.
3. The syllabus for the exam consists of **all** the material covered in the lecture slides and the sections of the text as mentioned in the course syllabus.
