• Exam 2 will be Friday April 11th, during the usual class time.
• The exam covers material in Chapters 12, 14, 15, 16, 17, and 19 of your textbook. The topics most likely to be asked about are those mentioned in class or assignments.
• For preparation, look at the homework problems. Also, look at the problems in the textbook, at the end of the chapters.
• You can bring into the exam one sheet of 8.5X11 paper, with whatever you want written on it. (You can write on both sides of the sheet.) Your name must be written on top of your sheet.
