The Artists:

Shakir Khan: Is a young & upcoming artist of the celebrated Etawa gharana. His Guru is his father Ustad Shahid Parvez, who needs no introduction in Albany at this time. It would be redundant & besides the point to tell you about the awards & scholarships this youngster has won. It is more important that he represents a tradition many centuries old. It will be exciting to follow his development.

Aditya Kalyanpur: Is a prominent young tabla player. He is a disciple of the Ustads Alla-Rakha and Zakir Hussain.

The Music:

The first half will be purely classical. The second half will contain lighter raags & dhuns.

Directions: Route 87 to 20 W (Western Ave) Right on Route 146 (Carman Rd). About 1.2 miles, Right on Spawn, ½ a mile up, right on Philomena. We are the corner of Spawn & Philomena.
